

Executive Session

March 4, 1996

Present were: Eller, Galbreath, Harper, Unger, Brusky, Foshe, Ragan, L. Korth, G.Korth. Jerry Olson was not in attendance.

The board discussed McCaslin's bill.

The original bid was \$4360.00 The bill he presented was \$5672.50 plus tax \$115.98.

The explanation Ron gave us was that the original raceway was moved from the center of the floor to next to the wall of the existing building. This project meant cutting and nailing a wall of plywood, so he could pour the cement. It also needed to be higher than 4ft. This took a days labor Which cost the Village and extra \$800.00 for labor, and \$336.00 for extra cement. Ron also gave his bid for the summer months, winter months are \$7.00 a foot more than summer. The board decided to hold off until the April meeting so they can discuss it with Pres. Jerry Olson.
