The purpose of the executive meeting was to discuss code violations of the thirteen confidential letters that KCCI had sent to residents about property maintenance. In each letter Mr. Dettmer gave information on rights to appeal if they desire to do so. Mayor Boris said Barbara Dettmer had contacted him to let him know that two residents had advised her about their compliance plan, and one had asked about his violations. Licensed motor vehicles were an issue, and a lengthy discussion followed which pertained to ordinance 120902.

Trustee Post suggested Mayor Boris to e-mail village information to trustees only.

Trustee Montgomery made a motion to adjourn the executive session and return to the regular session. The motion was seconded.

All in favor.

Motion carried.

Meeting adjourned at 9:30 P.M.

Respectfully submitted,
