ITEMS DISCUSSED:

WATER BILLING

There was discussion regarding the water billing. The water committee isn't happy with the way things are being taken care of. They are not getting the information that was requested to help them with handling of the water accounts and customers.

After discussing the problem the Board agreed to have the water committee speak with Mary regarding what requirements that she must meet.

MEETING ADJOURNED: 9:30 p.m.

Walter Wojak motioned to adjourn executive session and resume regular scheduled meeting.

Margie Foshe second the motion.

All agreed- - motion was carried.

Respectfully submitted,

Linda Clark
