Description of Work			
In consideration of this application and attached forms & documents being made a part thereof and the issuance of permit, I will conform to the regulations set forth in the Village of Lee Codes and Ordinances. I agree that all work performed under said permit will be in accordance with the approved plans, specifications and plat diagram which accompanies the application, except for such changes as may be necessary and authorized or required by the building official. I will contact the Village of Lee building department for the required inspections and prohibit the occupancy or use of any space until a Village inspector has conducted a final inspection and that all required inspections have been approved by the Village inspector.
